However, if general goods are wrapped so that they can not be used in Japan, spending for general goods may be combined with spending for consumables. In this case, applicable requirements are the same as those for consumables.

ただし、一般物品を日本国内で使用しないように包装した場合、消耗品との合算が可能となります。この場合消耗品と同じ要件になります。

Consumables may not be used while you are in Japan.

消耗品は日本滞在中は使用できません。

Because items purchased for consumption in Japan are not eligible for tax exemption, they will not be calculated as part of the total purchase price during exemption procedures.
